(tax included)

Fall 2011

Hi-

Thank you for choosing our company to provide the awards for your football team. Our goal is to make it easy for you to order memorable awards conveniently and inexpensively. All the awards on the reverse side are on sale and include standard engraving as well as sales tax.

We would like to introduce the people who are helping with your awards. If you have this flier, you probably have met either Barb, Kim, Alex or myself (Tom) as we spend most of our time working with our customers in the showroom, over the phone, fax, or online. Phyllis will be the one assembling, plating and packaging your awards, while Tyler will do the engraving or lasering. We have 12 other people working here, but their responsibilities are in other areas such as screen printing, embroidery, sign-making, and business support.

Besides football awards we have a complete line of sport awards for baseball, basketball, bowling, cheerleading, cross-country, soccer, golf, softball, swimming, track & field, tennis, volleyball, and wrestling. If you need awards for other types of recognition, we also have awards for academics, music and the arts, religion, 4-H, motor-sports, and much more.

While our company originated as an award company, we have expanded over the years to become an accomplished screen printing, embroidery, and sign making company as well. If we can be of help to you in any of these areas, please let us know.

Finally, no company or individual is perfect. If there is something you think we should be doing or doing better, please let us know. We appreciate your input.

Thanks again for choosing to work with our company...

Regards,

*Tom Alderson*
